

PDF Conversion Summary

Successfully Converted Technical Reports to PDF

All markdown technical reports have been successfully converted to PDF format using `markdown-pdf converter`.

Main Reports (3 PDFs)

- ☒ **README.pdf** (49.5 KB) - Main technical report overview
- ☒ **SYSTEM_METRICS_REPORT.pdf** (67.4 KB) - Comprehensive system metrics and capabilities
- ☒ **TECHNICAL_SUMMARY.pdf** (57.9 KB) - Executive technical summary

Database Architecture (4 PDFs)

- ☒ **data-integrity.pdf** (79.1 KB) - Data integrity and consistency analysis
- ☒ **data-tables-specification.pdf** (54.8 KB) - Complete database table specifications
- ☒ **database-schema.pdf** (74.1 KB) - Database schema documentation
- ☒ **er-diagram.pdf** (54.8 KB) - Entity relationship diagram and data model

API Design (2 PDFs)

- ☒ **api-architecture.pdf** (74.1 KB) - RESTful API architecture documentation
- ☒ **authentication-endpoints.pdf** (74.3 KB) - Authentication and security endpoints

Frontend Architecture (1 PDF)

- ☒ **frontend-architecture.pdf** (94.8 KB) - Frontend component architecture and performance

Testing Framework (1 PDF)

- ☒ **property-based-testing.pdf** (88.0 KB) - Property-based testing methodology and implementation

Scalability Analysis (2 PDFs)

- ☒ **performance-metrics.pdf** (70.9 KB) - Performance benchmarks and metrics
- ☒ **scalability-analysis.pdf** (84.3 KB) - Scalability roadmap and capacity planning

Security Architecture (1 PDF)

- ☒ **security-architecture.pdf** (98.6 KB) - Multi-layer security implementation

Network Architecture (1 PDF)

- ☒ **network-architecture.pdf** (94.6 KB) - Network optimization and infrastructure

Total PDF Package

- **Total Files:** 15 PDF documents
- **Total Size:** ~1.1 MB
- **Coverage:** Complete technical documentation of HRMS system
- **Format:** Professional PDF with proper formatting and tables

File Locations

All PDF files are located in their respective directories within `technical-report/`:
